

**ORLAND ALUMNI ASSOCIATION
2023 ANNUAL DINNER
FEBRUARY 24, 2024
5:30 PM
SUCCESS SQUARE CONFERENCE CENTER**

You are cordially invited to join us on February 24, 2024 for the Orland Alumni Association's 54th Annual Dinner, 131 E. Walker Street, Orland. We will gather at 5:30 pm for socializing and catching up, with dinner served at 6:30 pm.

Our honored alumni of the year will be Jody Halsey Meza (1996) and Jaime Raigoza (1986). These esteemed alumni have distinguished themselves in the municipal and education arenas.

Jody Haley Meza graduated from Orland High School with the Class of 1996. In 2000, she married Ulises Meza and they have two daughters.

Jody received her Masters Degree in Library Science from CSU San Jose and went right to work for the City of Orland as the Children's Librarian at the Orland Library. She was later promoted to Library Director.

Jody has received many recognitions and commendations including:

- Woman of the Year from Congressman John Garamendi's office in 2016.
- In 2020, she received the "Librarian of the Month" award in recognition of hard work and its positive impact on the community from Bywater Solutions.
- Jody joined the Willows Rotary Club in 2017 and in 2023, was awarded the "Service Star" for hard work and dedication to the betterment of Glenn County and success in keeping the library system thriving.
- Jody is currently the Librarian for Orland, Willows and Hamilton City Libraries.

Jaime Raigoza's roots lie in a migrant family, growing up in Orland and securing the Valedictorian recognition at Orland High School, Class of 1986. Even during his formative years, he dedicated summers to teaching as an aide for migrant education, emerging as a beacon of inspiration for others. Throughout his college years at California State University, Chico, Jaime tutored STEM courses, and continued his involvement in migrant education within local schools.

He earned a Bachelor of Science degree in Computer Engineering and a Master of Science degree in Computer Science from California State University, Chico, laying the groundwork for a rewarding career. With over 20 years in the technology industry, including a significant tenure at Hewlett Packard in Palo Alto, CA, Jaime not only honed his expertise in system/database administration and software development but also actively engaged with students from his alma mater as a lecturer.

Currently an Associate Professor in the Department of Computer Science, Jaime's focus remains on data privacy and quantum information science, reflecting his rich industry experience and academic acumen. Jaime is married to Monica, also a graduate from Orland High School, for 30 years. They are the proud parents of 7 children with the oldest three having graduated from Santa Clara University, Boston University and Cornell University. Their fourth child is currently attending Cornell University and the youngest 3 children are attending Notre Dame School in Chico.
